Organic Info

Did you know...

Up to one third (66%) of your waste is organic! We encourage you to compost, and to visit www.bra.org/greencone for information on our fantastic composter available to all residents.

Hazardous Waste

Huron County has various days every year dedicated to Hazardous Waste drop-off, and the location also varies. Please visit your local municipal website for more information.

E-Waste Program

Along with the free drop-off program run by the Bluewater Recycling Association, you may also drop off items at some local landfills. Visit your local municipality website for a list of items that are accepted and whether or not they are free to dispose.
