

Using Your Cart is as Easy as 1-2-3!

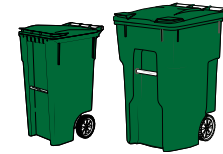

1. Collect all your materials inside your home

- Gather your recyclable materials using your blue box. Use small kitchen catcher type bags around the house to capture waste wherever it is generated.
- Use a kitchen caddy to accumulate your organics and bluebox to store your recycling.

2. Empty your materials

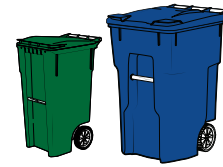

- Empty contents into designated organics, recycling or waste outdoor bins.
- All organics can be loose, lined with soiled paper or contained within a BPI Certified compostable bag.
- All food organics can be loose or contained within a BPI certified compostable bag.

Organics | Waste

3. Set your bins out for collection

- Set out your bins at the road when full (or almost full).
- **Residents will only need to set out two carts on any given week. Waste and Recycling are on opposite weeks while organics is weekly. See collection calendar.**

Town of Goderich

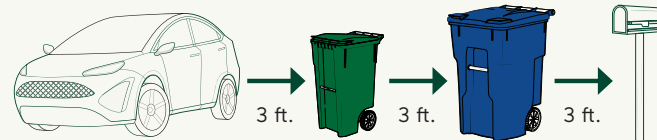

Residential Waste, Organics
& Recycling Service Guide

How to Set Out Your Carts

- Carts must be placed at the curb/road by 7 a.m. on your scheduled collection day.
- Do not over fill carts, the lids of the carts must fully close.
- All material must be in the carts. Material on the ground or beside the carts will not be collected.

- Place your carts at least 3 feet apart and 3 feet away from any obstacles to allow the automatic arm to lift and empty the cart. Place the wheels of the cart toward your house.

Questions?

If you have any questions about the organics or waste collection program or your bins for these services, please contact WM at (888) 730-3344 extension 1.

If you have ANY questions about the recycling program or your bins, please visit www.bra.org or contact us at (800) 265-9799 or info@bra.org
