## Recycling World has Changed!

The items on this page are the only items we wish to see in your recycling bin. We can collect, process, and sell these materials day in and day out and you can feel good about it

Placing the wrong items in the recycling bins increases the cost of the program, lowers the value of the remaining recyclables, and affects the safety of our employees. Just because something is made of paper, metal, plastic, or glass, does not mean it is recyclable. Make sure you see it listed in the latest acceptable list posted on our web site, or your calendar.

If you are unsure, please ask us at [info@bra.org](mailto:info@bra.org) or 1-800-265-9799, or visit [www.bra.org](http://www.bra.org)

Starting in June the Automated Collection Truck will begin collecting the new "Wheelie" Bins in Adelaide Metcalfe. Using the new bins is as easy as 1-2-3!

## 1 Collect.

Collect all your materials inside your home!

**TIP:** Gather your recyclable materials using your blue box. Use small kitchen catcher type bags around the house to capture waste where ever it is generated.

## 2 Empty.

Empty the blue box contents into the Blue recycling bin. Place your kitchen catcher bags directly in the Black waste bin.

**TIP:** Place all the recyclable items loose in the bin. Do not bag or tie anything to help us separate better with the exception of plastic bags and shredded paper which should be bagged before being placed in the bin. Trash may be bagged in bags if you wish.

## 3 Set Out.

Set out your "wheelie" bins at the road when full (or almost full)

**TIP:** The "wheelie" bins should be placed at least 3 feet away from any other objects with the wheels and handle pointing towards the house and the lid opening towards the road. The truck arm can reach up to 12 feet. Do not place the bin where it might interfere with pedestrian traffic on sidewalks or vehicular traffic on the road.

## Collection Changes

**Schedule:** Starting the week of June 1st, your collection frequency will change to biweekly except Kerwood and the Strathroy fringe area will remain weekly. Your collection day will now be on Tuesday.

**Holidays:** Collection will occur on all holidays except Christmas&New Years where an alternate date is set.

**User Pay:** Waste services will be billed on your taxes as a separate line item based on the size of the container serviced. Unused bag tags may be returned to the Township Office ONLY for refund starting June 1, 2020. Local businesses will NOT be accepting or refunding money for unused bag tags.

If you have ANY questions about the program or your "wheelie" bins, please visit our site at [www.bra.org](http://www.bra.org) where you will find useful information on all aspects of the automated collection program. Alternatively, contact us at **1.800.265.9799** or [info@bra.org](mailto:info@bra.org)

## Commercial and Multi-Residential Sites

Stand alone commercial properties, and multi-residential sites such as apartment, or condo complexes, are not automatically included in the municipal collection system.

If you wish to receive collection service, you must register with the Association by calling **1-800-265-9799 ext 243** or email at **info@bra.org**.

**Got a Smartphone or Tablet? Download the Recycle Coach App for waste collection schedules, recycling information and reminders. Visit: <https://recyclecoach.com>**

**Get the latest info delivered to the palm of your hand!** Download our Waste & Recycling App to receive real-time communication on emergencies, delayed collections, events, and more.

## Bulky Waste

Some materials are just not made to be disposed of curbside. Certain items can be taken directly to the School Road Landfill located at 29349 School Road. Disposal fees will apply to all materials taken to the landfill. Contact the Township Office for acceptable items, hours of operation and fees. Air conditioners, fridges, freezers and other items containing Freon require a disposal tag.

## Hazardous Waste

The County of Middlesex in collaboration with the City of London operates a Household Hazardous Waste depots on the last two Saturdays of the month from 9am until 3pm. Contact the site at 519-661-4585 for more information. The site is located at 3502 Manning Drive, off of Wellington Rd South.

- Batteries (household, rechargeable, automotive)
- Household cleaners, such as bleach & oven cleaner
- Energy efficient bulbs, fluorescent tubes/bulbs
- Hair dye, nail polish, nail polish remover
- Paints, varnish, solvents,
- Caulking, glue
- Fuels, antifreeze,
- Brake fluid
