Plastic						
	HDPE Bottles	HDPE Jars	HDPE Tubs and Lids	HDPE Pails	PE Bags	
Metal			<h3>Recycling World has Changed!</h3> <p>The items on this page are the only items we wish to see in your recycling bin. We can collect, process, and sell these materials day in and day out and you can feel good about it.</p> <p>Placing the wrong items in the recycling bins increases the cost of the program, lowers the value of the remaining recyclables, and affects the safety of our employees. Just because something is made of paper, metal, plastic, or glass, does not mean it is recyclable. Make sure you see it listed in the latest acceptable list posted on our web site, or your calendar.</p> <p>If you are unsure, please ask us at info@bra.org or 1-800-265-9799, or visit www.bra.org</p>			
	Aluminum Beverage Can	Steel food and beverage cans				
Glass						
	Clear and Coloured Bottles and Jars					

Starting in **June** the Automated Collection Truck will begin collecting the new "Wheelie" Bins in Bluewater. Using the new bins is as easy as **1-2-3!**

1 Collect.

Collect all your materials inside your home!

TIP: Gather your recyclable materials using your blue box. Use small kitchen catcher type bags around the house to capture waste where ever it is generated.

2 Empty.

Empty the blue box contents into the Blue recycling bin.

Place your kitchen catcher bags directly in the Black waste bin.

TIP: Place all the recyclable items loose in the bin. Do not bag or tie anything to help us separate better with the exception of plastic bags and shredded paper which should be bagged before being placed in the bin. Trash may be bagged in bags if you wish.

3 Set Out.

Set out your "wheelie" bins at the road when full (or almost)

TIP: The "wheelie" bins should be placed at least **3 feet away from any other objects** with the wheels and handle pointing towards the house and the lid opening towards the road. The truck arm can reach up to 12 feet. Rural collection is done on one side of the road only, the same side as always or which ever side the driver leaves the bins.

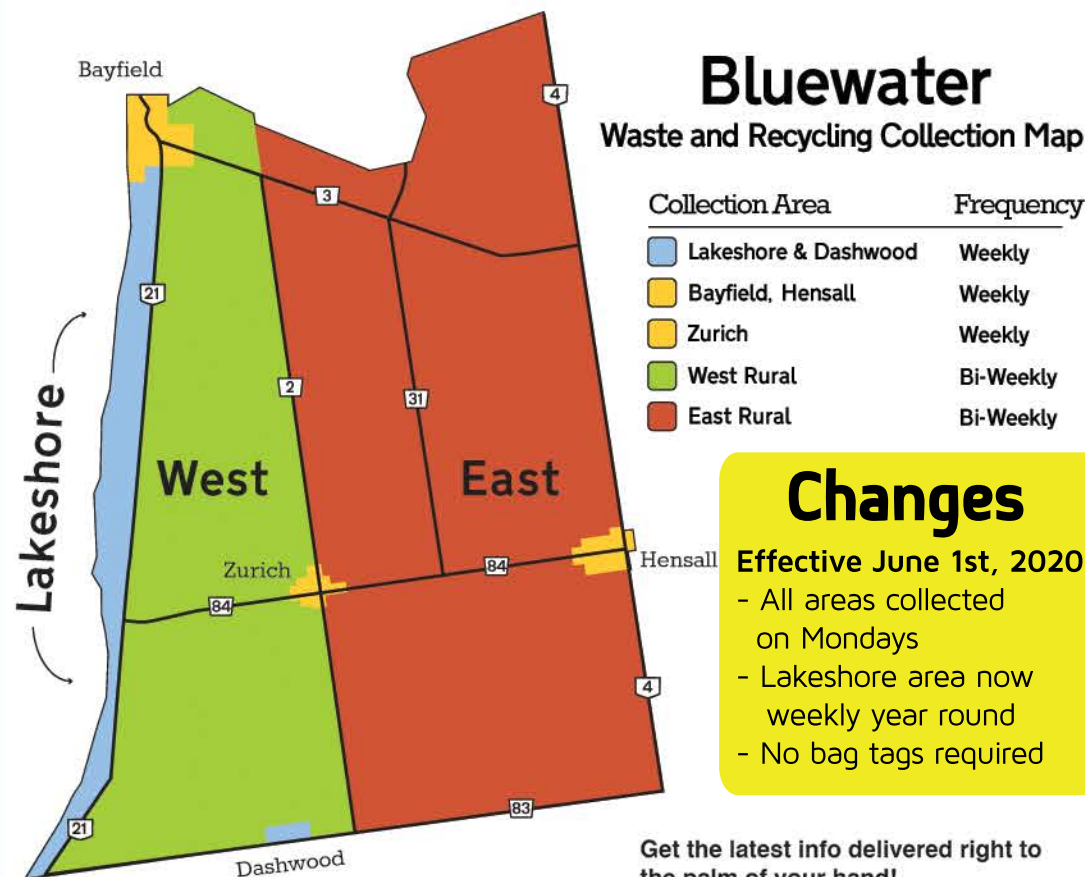

If you have ANY questions about the program or your "wheelie" bins, please visit our site at www.bra.org where you will find useful information on all aspects of the automated collection program. Alternatively, contact us at **1.800.265.9799** or info@bra.org

Automated Collection System

The new automated collection system uses a specialized vehicle to collect the new wheeled bins that are being distributed. For that reason, you cannot use your new bins until we start using the new vehicles to collect beginning June 1st or 8th depending where you live. Note that the recycling and waste bins may not be delivered at the same time.

Waste and recyclables will be collected at the same time with the same vehicle in a two compartment truck. We recommend that you set out both containers by 7 AM to ensure collection. Collection will take place on one side of the road. Place your bin(s) where the delivery crew has placed them or where the driver leaves them after collection.

Changes

Effective June 1st, 2020

- All areas collected on Mondays
- Lakeshore area now weekly year round
- No bag tags required

Get the latest info delivered right to the palm of your hand!
Download our Waste & Recycling App to receive real-time communication on Emergencies, Delayed Collections, Events and more.

Bulky Waste

Some materials are just not made to be disposed of curbside. Whether you are a resident doing a spring clean up, a renovation project, or you have oversized items to dispose of, you can bring it directly to the local landfill. Regular waste is subject to regular disposal fees. The Stanley Landfill is located at 38594 Mill Road.

- Air conditioners, fridges, freezers and other items containing Freon require a disposal tag.

Electronic Waste

Bring all of your E-Waste to the depot offered at the Stanley Landfill site. Refer to the municipal web site for more information. Here is a list of acceptable recyclable electronic waste.

- Computers
- Monitors
- Peripherals
- Keyboards/mice
- Printers, Scanners
- Fax Machines
- Radios, Speakers, Televisions
- VCR's, DVD Players
- Video Games
- Cell Phones, Tablets

Hazardous Waste

The County of Huron operates a Household Hazardous Waste depot at the Mid-Huron Transfer Site. Contact the County of Huron at 519-482-7668 for more information. The Mid Huron Transfer Site is located at 37506 A Huron Road (Highway 8) near Holmesville.

- Batteries (household, rechargeable, automotive)
- Household cleaners, such as bleach & oven cleaner
- Energy efficient bulbs, fluorescent tubes/bulbs
- Hair dye, nail polish, nail polish remover
- Paints, varnish, solvents,
- Caulking, glue
- Fuels, antifreeze,
- Brake fluid
- Used motor oil
